Our mission is to lift the veil on this budding industry, celebrate its innovations, destigmatize the products, and educate the market.

How do we do that?
We build lasting partnerships with innovative brands to bring our audience value and help build our partners' businesses in the process.

**EDUCATE**
Businesses and consumers on the industry.

**INSPIRE**
New innovations in cannabis science and tech.

**LEAD**
The conversation on cannabis's impact.

**TRANSFORM**
How people view the cannabis industry.

---

**The Strategy**

*Cannabis & Tech Today* is a global leader of a new publishing model we call “New Print” – a strategy that GfK Research found has a 120% ROI.

Leveraging ultra-premium print quality ($9.99 per issue), a multi-channel digital distribution strategy, and our growing list of global event partners, we ensure our award-winning content and our advertising partners get in front of the largest possible audience.
Cannabis & Tech Today is not another life-style magazine. We blend the science, cutting-edge technologies, news, and innovative profiles businesses and consumers crave. The recurring sections include:

- Technology
- Innovator Profiles
- Science
- Legislation
- Media & Entertainment
- Innovative Products
- Women in Business
- Blockchain and Security
- Jobs of the Future
- Tech Zone
- Sustainability
- Events and Conferences

“Our company was one of the initial advertisers with Cannabis & Tech and we’re glad we were. The magazine is very professional, has loads of great information, marrying the cannabis industry with high tech. We continue to advertise with them, not only because of the quality of the publication, but also because of how great they are to work with to get our name out there through social media and great content.”

Jamie English,
Director of Marketing,
Surna Inc.

Our Audience
By the Numbers

We are a B2B and high-end B2C publication for cannabis industry professionals, investors, growers, retailers, product manufacturers, industry suppliers, service providers, and enthusiasts.

Our readers are educated, have disposable income, and care about business best practices, innovations, science, and other critical developments in the industry.

Native Advertising
Increase engagement with your advertising by creating (or having us create) a native ad. These ads are thought leadership and best practice articles that feel like a natural part of the magazine. Whether you write it yourself or one of our specialists writes it for you, this is an opportunity to share your company’s vision with our readers.

We offer two native advertising options:
- Native Advertising (Created by You) $6,000
- Native Advertising (Created by Our Team) $7,500

*No more than 500 words per native ad. All native ads will be designated as “Brought To You By (Company Name)”. Native advertising produced by our team will align to our editorial standards and AP Style Guide – i.e., it’ll be thought leadership, not a sales pitch.

Section Sponsorships
Want to be associated with a full section of our magazine, such as our sections dedicated to Sustainability, Security, or Science? Become a section sponsor and get your logo on every page of that section.
