**The Strategy**

*Cannabis & Tech Today* is a global leader of a new publishing model we call “New Print” – a strategy that GfK Research found has a 120% ROI.

Leveraging ultra-premium print quality ($9.99 per issue), a multi-channel digital distribution strategy, and our growing list of global event partners, we ensure our award-winning content and our advertising partners get in front of the largest possible audience.
Cannabis & Tech Today is not another life-style magazine. We blend the science, cutting-edge technologies, news, and innovative profiles businesses and consumers crave. The recurring sections include:

- Technology
- Innovator Profiles
- Science
- Legislation
- Media & Entertainment
- Innovative Products
- Women in Business
- Blockchain and Security
- Jobs of the Future
- Tech Zone
- Sustainability
- Events and Conferences

“Our company was one of the initial advertisers with Cannabis & Tech and we’re glad we were. The magazine is very professional, has loads of great information, marrying the cannabis industry with high tech. We continue to advertise with them, not only because of the quality of the publication, but also because of how great they are to work with to get our name out there through social media and great content.”

Jamie English,
Director of Marketing,
Surna Inc.
